

**2023-24
FAMILY
HANDBOOK**

On behalf of the board and faculty of Bridges Preparatory School, we would like to welcome you to the 2023–2024 school year. For our families that are new to Bridges, we welcome you to our Buccaneer family. I hope you all had a wonderful and relaxing summer and are looking forward to an outstanding year. The BPS administrative team has been working hard over the summer to create an educational experience that will be engaging and memorable for each of our students this school year. This summer, many of our staff have participated in training and workshops that will bring an exciting approach to whole-child development and servicing our students socially, emotionally, and academically. We have also been busy hiring new staff, enhancing our facilities and grounds, as well as watching the progress of our new competition gym and Career and Technical Education classrooms that will open in the spring of 2024.

Our mission is to provide students equal access to a high-quality, K-12 whole-child education that maximizes academic excellence and strength of character in a student-centered learning environment created by a faculty of lifelong learners. We have a top-rated staff that genuinely cares about every child that walks through our doors and wants to give each child the best education possible, ensuring our mission is instilled in our daily practices. As Chief Executive Officer, my goal is to create a culture where all stakeholders feel valued and can engage in a memorable educational experience. I will serve as your liaison for the day-to-day operations of the school, as well as curriculum and instruction. We have a policy-governing board that is responsible for all policies, as well as ensuring that financing, facilities, and structures align to our mission. I am confident that each family will enjoy an outstanding educational experience this school year!

Our charter is founded on the 12 principles of Paideia with a focus on S.T.E.M. education to prepare our students for college and career readiness upon graduation. With an emphasis on authentic, project-based learning, students apply their knowledge and skills to tackle real world problems by preparing them to compete in an ever-changing global society. In *The Paideia Proposal*, Mortimer Adler presented an idealistic and egalitarian vision of education. He wrote, “Here then are the three common callings to which all our children are destined: to earn a living in an intelligent and responsible fashion, to function as intelligent and responsible citizens, and to make both of these things serve the purpose of leading intelligent and responsible lives—to enjoy as fully as possible all the goods that make a human life as good as it can be.”

Further supporting our mission and vision, Bridges’ students can participate in a variety of year-round sports, clubs, and curriculum-supported field trips and activities. Students develop intrinsic understandings about interpersonal skills through its embedded approach to character education. One of the elements that make our school successful is the support of our parents and stakeholders. Two pivotal groups include the Bridges Parent Teacher Organization (PTO) and the Athletics Booster Club. These groups are made up of parents, grandparents, teachers, and community members who give tirelessly for the support of our students. Whether you are a new or returning member to our school community, I urge you to join and to be actively engaged with one of these groups. I look forward to the new school year and all the celebrations and successes that it will bring.

We have enjoyed an amazing first 10 years in the Lowcountry. We have experienced highs and lows that have established our strength and perseverance of the long-lasting footprint that we promise to provide for many years to come.

As we venture into the next 10 years, our focus will shift to the power of “one.” This involves focusing on how each student grows and learns in a way that is right for them. This also means making the educational journey not just personal, but personalized. Our school will connect teachers, administrators, students, and the home, so we can give the time, care, and attention that every student deserves. We will all work together to reshape how students learn, thrive, and succeed. From that nervous first day of kindergarten to the buzz of planning for college or a career and beyond, we are here for that “one student, one dream, one future,” focus which we will do 1360+ times this school year.

Thank you for being a part of the power of “one.”

Together We Are....Bucs!

Gary S. McCulloch
Chief Executive Officer

FOUNDATIONAL STATEMENTS AND GOVERNING PRINCIPLES

The purpose of this Bridges Preparatory School (“BPS”, “Bridges Prep”, and/or the “School”) Student/Parent Handbook (the “Handbook”) is to provide information about rules, regulations, policies, and procedures in order to promote a better understanding of what is expected of BPS students and parents. The Handbook does not constitute a contract, and is subject to change. Please study and familiarize yourself with the contents of the Handbook.

MISSION STATEMENT

To provide students equal access to a high-quality K-12 whole child education that maximizes academic excellence and strength of character in a student-centered learning environment created by a faculty of lifelong learners.

VISION STATEMENT

To assist each child in developing his or her unique gift intellectually, physically, socially, and ethically through whole child instruction in order to prepare students for college and career readiness, while ensuring their ability to be productive citizens, serving the community, and readily competing in the ever-changing global society.

CORE VALUES

STUDENT ENGAGEMENT

Understanding that learning and growth occurs in a variety of formats and environments, we offer engaging activities for our student body. We desire to advance student development and leadership capacity, support students in the pursuit of their passions, connect students with one another, enhance creative competence, and increase the overall sense of community and enjoyment.

INTEGRITY

The integration of worldview through connecting all aspects of the school’s program within the framework of ideas and beliefs impacting how students interpret the world and interact with it.

EVOLVING

BPS will act to investigate all complaints, formal or informal, of discrimination based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Education Rights and Privacy Act of 1974 (FERPA), a federal law, requires Bridges Preparatory School (BPS), with certain exceptions explained below, to obtain your written consent prior to any disclosure to an outside organization of personally identifiable information from your child’s education records. However, unless you have advised BPS not to release such information, BPS may disclose to an outside organization without written consent appropriately designated “directory information”.

Examples of outside organizations that may request the disclosure of directory information include, but are not limited to, companies that manufacture class rings or publish yearbooks. BPS may also receive requests for directory information from various media outlets. Students participate in a variety of school related events and activities that are subject to some form of publicity—from honor rolls to media coverage of special events. Information about and pictures of your child may appear in newspaper articles, on television, in radio broadcasts, on displays, on the school

and district website or in school and district promotional pieces, including but not limited to honor roll lists, yearbooks, newsletters, brochures, or fliers.

BPS has designated the following information as being directory information related to a student: the student's name, address, telephone number, photograph, major field of study, participation in activities and sports, weight and height of members of athletic teams, dates of attendance, awards received, and the most recent school attended.

If you do not want BPS to disclose directory information from your child's education records to any outside organization without your prior written consent, you must complete the BPS Opt-Out for Media & Directory Information form, available at the end of the handbook or in the Bridges' office and return the completed form to the Chief Executive Officer no later than 15 days after receiving this handbook. An Opt-Out for Media & Directory Information form is required to be completed and returned each year.

Please be advised that if you do not submit a completed Opt-Out for Media & Directory Information form by the specified date, BPS will be free to release or use directory information regarding your child as it deems necessary for educational benefits. Even if you checked the form on the enrollment packet, we would still need the official Opt-Out form.

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT

The Health Insurance Portability and Accountability Act (HIPAA) requires certain designated components within Bridges Preparatory School (BPS) to maintain the privacy of protected health information and to provide individuals with notice of BPS' legal duties and privacy practices with respect to this health information.

HIPAA and its regulations specifically exclude any education records covered by the Family Educational Rights and Privacy Act (FERPA), treatment records of a student over 18 years of age that are made or maintained by a health care professional and disclosed to no other persons, and employment records held by BPS in its role as an employer. Therefore, BPS acknowledges that the business activities of only some of its components may be considered subject to the privacy regulations of HIPAA.

DISCLAIMERS

This handbook does not serve to contractually bind Bridges Preparatory School in any way and is subject to change without notice by the administration or the Board of Directors.

ACADEMIC INFORMATION

GRADING POLICY

Bridges Preparatory School's goal is to ensure that grading and reporting practices are based on clearly defined criteria that represent the attainment of content knowledge and skills that are consistent across grade levels and courses. We want student grades to be accurate, meaningful, consistent and supportive of learning.

Assignment of student grades is the purview of the teacher. Grades cannot be changed without following the established procedures which include explicit consent of the teacher. Teachers develop research-based grading and assessment practices to guide the recording and reporting of student progress under the supervision of the principal. Bridges Preparatory School follows the South Carolina guidelines for grading/assessment. As such, no school leader or teacher will engage in grading practices that violate state policy.

Students respond more positively to the opportunity for success than to the threat of failure. Therefore, through learner objectives and its instructional program, Bridges Preparatory School seeks to make the evaluation of student performance both transparent and positive.

All students are assessed according to South Carolina College & Career Ready standards.

GRADE REPORTING SYSTEM

Student grades are always accessible to parents on the PowerSchool Parent Portal. Report cards are sent home at the end of each quarter for all students.

- **Grading Scale (Grades 1-3)**

The following Standards-Based grading system is used for Grades K-3.

E	90-100	Exceeds Mastery
M	80-89	Mastery
A	70-79	Approaching
D	<70	Developing

- **Grading Scale (Grades 4-12)**

The following grading system is used for Grades 4-12.

A	90-100	Excellent
B	80-89	Above Average
C	70-79	Average
D	60-69	Passing, Needs Improvement
F	0-59	Unsatisfactory

ASSESSMENTS

Formative assessments are used to monitor student learning and to provide a benchmark of student progress toward learning targets and goals. It provides ongoing feedback to both the student and the teacher, which can in turn be used to improve instruction and learner outcomes. Formative assessments help identify areas of strength as well as areas of refinement for students which allow for timely intervention. Not every formative assessment is graded. Summative assessments aim to evaluate student learning and mastery at the end of a unit of study. They are often high stakes and thus count more significantly in the calculation of a student's grade.

SOUTH CAROLINA UNIVERSAL GRADING POLICY

RANKING POLICY

Student Rank and Grade Point Average (GPA) at Bridges Preparatory School are calculated based on the South Carolina Uniform Grading Policy (SCUGP). The ranking is based on all academic classes at the end of each academic year and includes the entire class of diploma-seeking candidates. Class rank will be demonstrated on the official transcript of every student.

For more information about the South Carolina Uniform Grading Policy, visit: [Department of Education SCUGP](#)

For more information about the 10-Point Grading Scale, visit: [Department of Education 10-Point Grading Scale](#)

OTHER PROTOCOLS/EXPECTATIONS

- Late assignments will be accepted until the unit summative assessment for a maximum of 80%.
- All students will be given an opportunity to reteach/retake a summative assessment in each class. In order to be eligible for a retake, students must have completed all formative assignments prior to that summative assessment. The retake must be arranged to be taken within 1 week after receiving the initial score. The 'retake' grade will replace the original grade. All retakes must be requested by the student in writing to the teacher and require a minimum of 1 tutoring session prior to taking the retest.
- Parents will be notified if a student's overall grade drops below a 70. Parent communication is documented. Grades will be entered into PowerSchool Gradebook on a regular basis. Grades may have comments attached including Missing, Redo Possible, Updated from Redo, Late.

UNIT RECOVERY

The purpose of Unit Recovery is to provide students an opportunity for remediation for a final quarter grade below a 60. Students that have demonstrated mastery in Unit Recovery will have their quarter grade updated to reflect a grade no higher than a 60.

In order for students to complete Unit Recovery students must adhere to the following guidelines:

- Students must request Unit Recovery for the previous quarter from their teacher.
- Unit Recovery applies to quarters 1 and 3.
- Students must complete the assigned work by the teacher.
- Work assigned is at the discretion of the teacher.

MAKE-UP WORK (K-12)

For excused (Lawful) absences, students will be granted the opportunity to make-up any missed assignments and /or work due to the absence(s). This will include quizzes, tests, writing assignments etc. The period for making up the work will be a minimum of one (1) class day for each class day missed to a maximum of one week. For example, if a student misses two days of school (Monday and Tuesday) and returns on Wednesday, Thursday and Friday will be granted as make-up days for missing Monday and Tuesday (one day for each day missed). In this example, all missed assignments or work (test, quiz etc.) would not be due until Monday. Students who have unexcused absences may be given the opportunity to make up work at the discretion of the teacher during make-up sessions, however, the unexcused absence remains in the student's record.

Arrangements for completing the work should be made by the student upon the student's return to school. Making up missed work when in school sponsored programs and events is required.

In all circumstances, homework and other assignments should be accepted, even when turned in after the turned in after the designated due date. Credit for late work will be awarded according to the guidelines established in the teacher syllabi.

ONLINE ACCESS TO GRADES/ATTENDANCE

Students and parents/guardians can access student grades via the PowerSchool Portal at any time 24 hours a day, 7 days a week. Visit our webpage, then Parents, then Parent Portal for more information.

EFFECTIVE GRADING PRINCIPLES

Bridges Preparatory School has developed a grading policy that follows the recommendations of the South Carolina guidelines for grading/assessment. Grading Recommendations found in the PowerSchool Teacher Gradebook Document.

ACCURATE

Clear grading practices and procedures help provide for an accurate evaluation of student learning. Principles for improving Accuracy include:

- Administer multiple graded assignments within each weighted category (e.g., one per week)
- Only include scores that relate to achievement of the standards
- Provide students with multiple opportunities to demonstrate that they have acquired the knowledge or skill expected with proficiency on a standard

MEANINGFUL

Clear feedback and evaluation is an essential part of the learning process. Research indicates that meaningful feedback is one of the most powerful factors in closing the gap between current student understanding and desired performance (Hattie, 2009). Principles for making grades more meaningful include:

- Organize gradebooks using standards-based categories
- Consistently provide feedback to students and parents in a timely manner
- Provide multiple opportunities within the grading period (redo's and retakes) for students to demonstrate proficiency
- Engage students in tracking their own progress on identified standards

CONSISTENT

Grading practices (components, procedures, mathematical weights, etc.) that are commonly applied across a course or grade level subject provide for common student experiences and consistent expectations. Principles for improving consistency include:

- Align school grading practices with a common set of district grading principles
- Establish common grade or course level grading practices uniformly implemented by all teachers
- Clearly define and communicate expectations in relation to performance standards
- Work in collaborative teams (PLC's) to calibrate scoring instruments and evaluate assessments and student work

SUPPORTIVE OF LEARNING

Above all, we need to understand that our goal is student learning, and learning is a process. To be supportive of learning, grades must be informative and provide students with opportunities to improve performance. Principles that are supportive of learning include:

- Regularly provide academic feedback in relation to the achievement of the standards, and opportunities for students to apply academic feedback to demonstrate their new understanding/performance
- Prioritize new evidence of learning over older evidence
- Reduce or eliminate punitive grading practices
- Refrain from evaluating students in comparison to one another
- Use a variety of assessment methods to collect evidence of student achievement
- Use assessment to improve student learning - assessment is not just a labeling event, it should be used to inform instruction and improve student understanding

HOMWORK

Homework is viewed as an extension of classroom activity. Homework will be in harmony with the child's needs and abilities and will not be given for disciplinary reasons. Teachers should recognize that home and outside activities have educational value and therefore should not overburden students with homework. Assignments must be carefully planned, appropriate to the student's grade level and be well understood by the student before he/she leaves school. Allowances should be made for individual differences in interests and abilities. Although all homework assignments need not be formally graded, teachers are expected to evaluate the student's homework performance to assess the student's needs and/or level of mastery.

HONOR ROLL

A student will be named to the Principal's Honor Roll if he/she has no grade less than A in all subjects/classes for that grading period, except in the related arts. A student will be named to the Honor Roll if he/she has no grade less than B in all subjects/classes for that grading period, except in the related arts.

PROGRESS REPORTS AND REPORT CARDS

Progress Reports are sent home halfway through each quarter for students in grades 3-12. Student Report Cards are completed at the end of each quarter. They will be sent home with students or may be picked up during scheduled parent conference times. Final Report Cards for all grades will be issued on the last day of school. Any outstanding fees due to the school will be required to be paid before the final report card is released.

FIELD TRIPS

Bridges Preparatory School recognizes the importance of out-of-classroom experiences for students. As enrichment to the learning experience, teachers may plan field trips, which have a specific goal and are clearly related to the curriculum.

Participating in field trips is a privilege. Students serve as representatives of BPS; therefore, they may be excluded from participation in any trip for reasons relating to behavior and/or conduct.

Students at BPS will participate in several educational walking field trips, which may consist of the Library and/or park, among other places. It is mandatory that we have a signed permission slip on file for each student before s/he is allowed to go on these trips.

A Field Trip Form will be sent home on the first day of school. Please complete and return. You will be notified before the event when your child will be participating in these field trips.

All field trips and enrichment activities should be a cooperative activity involving teachers, students, administrators and parents. Trips/activities should be carefully planned for timely implementation as part of the instructional, co-curricular, or extracurricular programs of the school. All Field trips will be completed by May 1st of each school year.

UNAUTHORIZED FIELD TRIPS

Unless approved by the Administrator(s), trips organized by teachers in conjunction with parents or other non-school organizations to any destinations during holiday periods (for example, Summer, Fall Break, Thanksgiving, Winter Break, Spring Break) will not be recognized by the BPS Board of directors as approved field trips. The BPS BOD assumes no liability for such trips. The use of school staff during the regular workday, school facilities, and school supplies for planning such trips

is prohibited. The recruitment of students for such trips, or communicating information related to such trips should not occur on school property.

CHAPERONE DUTIES AND RESPONSIBILITIES

All chaperones are required to complete an initial background check (SLED) prior to going on the field trip. Background checks must be completed through the school office. Each year, a local screening will be conducted, and every third year, a complete background check will be re- conducted. The cost for obtaining background checks shall be borne by the chaperone.

Chaperones are required to disclose information pertaining to prior arrests or convictions, regardless of the amount of time that has passed, determination of guilt or innocence, or significance of the incident. Failure to disclose may result in restriction from attending the field trip and possible restriction from attending future school sponsored field trips.

- All students must ride in school provided transportation both to and from the field trip and during transport during a field trip to multiple locations. At no time will students ride in cars unless prior approval by administration is granted in writing.
- Chaperones are responsible for general supervision and safety of all BPS students and expected to actively supervise students.
- Adults observing behavior by students or other adults that is contrary to school policy or procedure shall immediately report the incident to a BPS staff member or Administration.
- Chaperones are responsible for taking the roll of students prior to departure from any location, every time the group reconvenes, and periodically throughout the course of the field trip to ensure all students are present.
- Chaperones may not drink alcoholic beverages, utilize illegal substances, smoke or chew tobacco, vape, use profanity, or any form of inappropriate conduct at any time during the course of a field trip from departure from the school to arrival at the school after the trip.
- Chaperones should ensure that all students remain seated on the bus and monitor student behavior on the bus. Students are expected to be quiet while in heavy traffic, when exiting/entering the interstate, or when crossing a railroad track.
- Students in grades K-6 should be escorted into and out of public bathrooms. At no time should any student, even a child of a chaperone, be left unattended in a bathroom.
- Students in grades K-12 should never be left unattended by an adult.
- Students should remain with their specific chaperone unless authorized by a BPS staff member.
- Students who become ill during the course of a field trip should be brought to a BPS staff member. Parents of the student should be promptly contacted by the BPS staff member. The BPS staff member and chaperone will work collaboratively to ensure the child is properly attended.
- All procedures and rules specific to a field trip shall be strictly adhered to by all parents and students.
- Students will be accompanied by an adult when crossing streets. Children under the age of seven (7) should be escorted by the hand across streets.
- Chaperones should strictly enforce rules or procedures established as part of the BPS Discipline Code or those established by the venue.
- Chaperones are expected to provide direct instruction and modeling of appropriate behavior and etiquette at all times.

ATTENDANCE POLICY

ATTENDANCE

Student achievement begins with regular attendance. Being in class is an essential part of student learning and progress. Learning at BPS involves active engagement, working together, student-centered research, and completing projects. As a result, students who do not attend class regularly put themselves at academic risk. Parents should consider the importance of attendance when planning family and other activities that may take a child from school.

SCHOOL START TIME

7:30 AM - Elementary School - Grades K-5
8:00 AM - Middle/High School - Grades 6-12

Students arriving after the start time are required to check-in at the front desk to get a Tardy Slip.

DISMISSAL TIME

2:30 PM - Elementary School - Grades K-5
3:00 PM - Middle/High School - Grades 6-12

SEAT TIME REQUIREMENT

In conjunction with R.43-274 In order to receive one Carnegie unit of credit, a student must be in attendance at least 120 hours, per unit, regardless of the number of days missed. Students participating in ½ credit classes must be in attendance at least 60 hours, per unit, regardless of the number of days missed.

Students that receive a (FA) Failure due to Absences must make up required seat time hours/assignments within 30 days. Extensions may be permitted on a case-by-case basis; however, all requirements must be completed prior to the beginning of the next school year.

Any student who missed school must present a written excuse, signed by his/her parent or guardian or a healthcare professional for all absences **within three days of the student's return to school**. The written excuse to school includes the reason for and the date of the absence. If a student fails to bring a valid written excuse to school, his/her absence will be recorded as unlawful. The criteria below will be used to determine if an absence is lawful or unlawful.

Parents/guardians have the responsibility to ensure that all school-age children in their care are in school and on time every day. Students have the responsibility to be on time and attend all classes. Students are expected to attend school for the scheduled 180 instructional days.

Students who do not meet these attendance requirements will not receive credit. Seat-time make-up for grades 8 - 12 will be made available as scheduled by the administration for a fee.

LAWFUL ABSENCES

- Absences caused by a student's illness and whose attendance in school would endanger his or her health or the health of others. These absences must be verified by a physician statement within three days of the student's return to school (absences for chronic or extended illness will be approved only when verified by a physician's statement for that particular date).
- Absence due to an illness or death in the student's immediate family verified by a statement from a parent within three days of the student's return to school.
- Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the administration in writing.
- Absences due to activities that are approved in advance by the administration. This would include absences for extreme hardships, including parental military deployment.

UNEXCUSED ABSENCE

- Absences of a student without the knowledge of his or her parents (including class 'cuts').
- Absences of a student without acceptable cause with the knowledge of his or her parents.
- Suspension is not to be counted as an unlawful absence for truancy purposes.

COLLEGE TOURS/JOB SHADOWING

Absences for high school juniors and seniors may be lawful for the purpose of visiting college campuses/job shadowing experiences. When applying for college visits/job shadowing experiences, students must adhere to the following:

- Requests for approval of absences for college visits/job shadowing experiences must be submitted in writing by a parent at least one week in advance of the scheduled visit.
- Approval will be granted for no more than four visits/experiences per school year.
- Each request should specify the duration of the visit and travel time, which may be approved at the discretion of the administration.
- Absences approved for college visits/experiences will be lawful absences and students will be allowed to make up classroom work.
- BPS requires a signed form (available in BPS guidance office) that will be completed by a supervisor of a job shadowing experience, or admissions counselor for college visits.

CHRONIC ABSENTEEISM

As defined by the Office of Civil Rights (OCR), chronically absent students are those absent 10 or more school days during the school year. According to the OCR, an absent student is one who misses 50 percent of the instructional day for any reason and regardless of whether the absence is excused or unexcused. In other words, students who are absent for any reason – including suspension, illness, and death in the family – AND miss 10 percent or more of the school year will be considered chronically absent.

DOCUMENTATION OF ABSENCES

A written excuse for a student's absence must be turned in within three (3) days of the student's return to school.

A parent note should include:

- Students first and last names
- Date(s) of absence
- Reason for absence
- Parent/guardian signature

A medical note should include:

- Students first and last names
- Specific dates of absence
- Reason for absence
- Doctor signature/stamp
- Contact information for the medical office (phone, address, etc.)
- Any absence that extends beyond four days requires a doctor's excuse

**If the school receives written documentation without all of the above listed details, the excuse will not be coded and the absence will remain unexcused.*

PROCEDURES FOLLOWING AN ABSENCE

All parent notes and/or medical excuses must be submitted to the school within three (3) days of a student's return to school. There are three methods of sending a parent note and/or medical excuse to the attendance office:

- Send a hard copy to the front office of your child's school - not their teacher.
- Fax an excuse to (843) 982-7707
- Submit a medical/parent note using the [Attendance Google Form](#).

TARDY POLICY

Students are expected to arrive at school on time and are also expected to get to individual classes on time throughout the day. Students reporting to school after their grade level start time, must report directly to the attendance office in order to be admitted to class. Any student that misses more than half the class shall be counted absent for attendance credit purposes. The only acceptable excuse for tardiness to school is when there has been an unusual emergency and the school has been notified by the parent/guardian.

ELEMENTARY SCHOOL TARDY POLICY

Students arriving after 7:40 AM must be accompanied by a parent to be checked in at the front office.

MIDDLE/HIGH SCHOOL TARDY POLICY

The following attendance rules for tardiness to school are effective immediately for Middle and High school students:

- 3 times late to school or class - Warning/Parent contact
- 4 times late to school or class - Parent conference
- 5-7 times late to school or class - Lunch detention with parent contact
- 8-9 times late to school or class - Loss of driving privileges, 1 day In-School Suspension, and parent contact
- 10 or more times late to school or class - 1 day of suspension and letter of probation

EARLY DISMISSALS

Early dismissal occurs when a parent either comes in to pick up their child or sends a request in for students that drive to be signed out at a specific time. Guidelines below:

- No early dismissals will be permitted 30 minutes prior to the end of the school day.
- Requests for early dismissal for students that drive must be made in writing and received 24 hours in advance so that requests can be verified.
- Students signed out prior to being in class for 51% of the class will be considered absent for that class.

LATE PICK-UPS

Students are required to leave campus at dismissal. Students who are consistently picked up late (30 minutes after dismissal) will be addressed on a case-by-case basis. After 30 minutes your child will be placed in the AfterSchool Program and you will be charged a \$8.00 fee/child for each occurrence. Parents/guardians should enroll their student in their zoned public school where reliable transportation is provided should late pick-up become habitual.

SOUTH CAROLINA COMPULSORY ATTENDANCE LAW

The South Carolina Compulsory Attendance Law requires that children between the ages of five (5) and seventeen (17) years attend school regularly. The law mandates that parents assure the presence of their children at school. Section 59-65-20 of the Code of Laws of South Carolina 1976 states: "Any parent or guardian who neglects to enroll his child or ward or refuses to make such child or ward attend school shall, upon conviction, be fined not more than \$50 or be imprisoned not more than 30 days; each day's absence shall constitute a separate offense."

Bridges Preparatory School complies with all compulsory attendance laws as written by the State of SC.

SOUTH CAROLINA TRUANCY POLICY

- **Truant:** A child, at least 6 but not yet 17 years old, who has accumulated three consecutive unlawful absences or a total of five unlawful absences.
- **Habitual Truant:** A child, at least 12 but not yet 17 years old, who (1) fails to comply with the intervention plan developed by the school, the child, and the parents or guardians, and (2) accumulates two or more additional unlawful absences.
- **Chronic Truant:** A child, at least 12 but not yet 17 years old, who (1) has been through the school intervention process; (2) has reached the level of a habitual truant and has been referred to family court and placed under an order to attend school; and (3) continues to accumulate unlawful absences.

TRUANCY INTERVENTION PROCEDURES

- School personnel will communicate any attendance problems or concerns to parents/guardians in a timely manner. When a student accumulates three (3) unlawful absences, the school notifies the parent/guardian by telephone, email, and/or mail.
- When a student accumulates three (3) consecutive or a total of five (5) unlawful absences, the principal or designee will complete a truancy investigation.
- A conference is required with student and parent/guardian to develop an attendance intervention plan designed to improve student attendance and eliminate unlawful absences.
- A written attendance intervention plan and contract should be signed by all participants with a copy provided to the parent and student.
- When a student accumulates seven (7) unlawful absences, the school will update the attendance intervention plan, indicate why the plan was unsuccessful, and make amendments as needed.
- The student's absences will be monitored. If a student continues to be unlawfully absent, a truancy referral is made to the proper State reporting agencies.

Note: Suspensions are not counted as unlawful for truancy purposes. A deadline will be imposed for the work to be made-up and the responsibility for getting and completing assignments will be on the student.

ENROLLMENT POLICY

ENROLLMENT

Bridges Preparatory School will recruit students in a manner that ensures equal access to the school and does not discriminate against students of a particular race, color, national origin, religion, or sex, or against students with disabilities. Furthermore, Bridges Preparatory School's Enrollment policy is designed to:

1. Meet the requirements of all South Carolina and federal statutes.
2. Ensure equal access to the school, particularly for students with special needs and at-risk students, as well as all other students.

The full Enrollment Policy can be viewed on the BPS Website under the [Admissions tab](#).

ELIGIBILITY

Students entering kindergarten must be five years of age on or before September 1 of the year they intend to enroll. First graders must be six years old by September 1 of the calendar year in which they intend to enroll. All other students must have successfully completed the previous grade level.

ENROLLMENT REQUIREMENTS

A copy of the student's state-issued birth certificate must be provided to the school at the time of enrollment. Hospital birth reports are not acceptable. If necessary, duplicate birth certificates can be obtained from local county health departments or the South Carolina Department of Health and Environmental Control, Vital Records and Public Health Statistics Division at 2600 Bull Street, Columbia, South Carolina, 29201 or from a similar agency in the state of the child's birth.

A valid South Carolina Certificate of Immunization must be presented for all students prior to their enrollment. Certificates of immunization can be obtained from the Beaufort County Health Department or from a private physician. Schools may ask for a student's Social Security number. However, by federal law, schools cannot require that a Social Security number be provided. For a student who is transferring from another school or school district, a transfer/withdrawal form and a copy of the student's last report card should be provided to the school at the time of enrollment. Official transcripts are requested by mail and sent directly to the school. A hand-carried copy will not constitute an official transcript. In cases where a student's parents are divorced and/or legally separated, the court order granting custody must be presented to school personnel and issues addressed prior to enrollment. In addition, a step- parent is NOT to be listed on enrollment forms UNLESS he/she has legal responsibility for the student by an order of the court.

In the case of guardianship (not to be confused with parental custody), a copy of the court order establishing the guardianship must be approved and filed with the school.

A correct "911" address MUST be provided at the time of enrollment. A post office box may be provided for mailing purposes only. A home address is required as well as a current home telephone number and daytime telephone numbers for emergency purposes. Parents are advised to notify the school immediately if their phone numbers change.

OPEN ENROLLMENT

Pursuant to state charter law, BPS is required to follow an open enrollment process. Open enrollment will occur for a 4-5-week period during which time enrollment forms for students will be accepted for the following academic year. Following the open enrollment period, if the number of applicants exceeds the number of available openings, a lottery will be held in order to fill any vacancy in the grade level for which the student is applying. All applications that were submitted in a timely fashion during the Open Enrollment period will be included in the lottery. All students not placed at this time will be put on a waitlist according to their position in the lottery for the grade level for which they are eligible.

Vacancies will be filled in order of the waitlist.

CURRENTLY ENROLLED STUDENTS

Students currently enrolled in BPS will be automatically enrolled for the next academic year. Current students do not need to reapply on an annual basis. Students wishing to return the following academic year will be asked to complete an Intent to Return form during the month of January so that the school may prepare for the following year.

STAFF PREFERENCE

Children of staff members will have preference before siblings during the open enrollment period and will fill openings before any lottery is held. If there are no openings in a grade level and a child of a staff member applies, that student will be placed at the top of the staff member waitlist.

SIBLING PREFERENCE

Siblings of currently enrolled students will have preference after staff members' children during the open enrollment period and will fill openings before any lottery is held. If there are no openings in a grade level and a sibling applies, that sibling will be placed at the top of the waitlist.

WAITLIST

Waitlists do not carry over from year to year. A student's position on the waitlist is only valid for the grade level for which the student is eligible for that school year and will end after the 135th day of that school year. A student who is not placed prior to the 135th day, but who wishes to remain on the waitlist must reapply each open enrollment period.

VACANCIES

Vacancies will be filled via the waitlist. When a position becomes available, the first student on the waitlist will be notified. The family will have a set number of weekdays following notification to fill the vacancy. If the first family fails to respond or denies the open position within the time period, the next family on the waitlist will be contacted. It is important that the school has all the contact information for families that are on the waitlist. When a vacancy occurs, and a student accepts the opening, he/she will begin school once enrollment papers have been processed.

REGISTRATION

A student will not be formally registered to attend Bridges until all necessary registration forms have been completed and former school records have been reviewed.

DISENROLLMENT/WITHDRAWAL

A parent/guardian may unenroll/withdraw a student from BPS at any time. Requests for disenrollment must be made in writing and submitted to the Registrar. The withdrawal form, which can be obtained from the front office, has to be completed and submitted. Once the withdrawal form is submitted the student officially relinquishes his/her seat and the form cannot be retracted. Bridges Preparatory School will not release records to another school unless a withdrawal form is submitted AND a request for records form signed by a parent/guardian is received from the student's new school.

GENERAL INFORMATION

AFTERSCHOOL PROGRAM

The Bridges Preparatory School Afterschool Program is open to students in grades K-12. The program begins immediately after the school day and ends at 5:30 PM. The program balances academics and fun to keep children engaged in a safe and caring environment after our normal school hours.

For more information, parents are encouraged to review the Afterschool Program Handbook.

ASSESSMENTS

In addition to regular formative assessments and beginning of year assessments to determine at what levels students should learn, BPS will provide several other types of assessments during the school year for educational purposes. Some of these are described below. You will be notified before any of these school assessments are given. An aptitude test and an achievement test are given to all second graders in the fall of the school year to identify potential Gifted and Talented Students.

MEASURES OF ACADEMIC PROGRESS (MAP)

BPS uses a formative assessment called MAP (Measures of Academic Progress) in grades K through 9. MAP is a computerized adaptive test developed by NWEA (Northwest Evaluation Association). MAP measures students' academic growth from year to year in the areas of mathematics and reading.

The final score is an estimate of the student's instructional level used to provide immediate feedback and personalize instruction. BPS uses these assessments as a tool for improving student learning because it enables teachers to recognize areas where the student needs help. Students in grades K-2 also take the MAP Reading Fluency assessment to meet the state requirements of a universal screener for MTSS.

SC PASS AND SC READY

Palmetto Assessment of State Standards (PASS) is the statewide assessment administered to South Carolina students in grades 4 through 8 for science (grades 4, 6, and 8) and social studies (grades 5 and 7). All students in these grades are required to take PASS except those who qualify for South Carolina Alternate Assessment (SCAIt). Aligned to the South Carolina Academic Standards for each content area, PASS test items assess the content knowledge and skills described in the standards and indicators.

SC Ready is the South Carolina standardized test for ELA & Math assessment for Grades 3-8. 3rd grade students who do not meet the required achievement level in Reading according to the State of South Carolina Read to Succeed legislation may not be promoted to the 4th grade.

END OF COURSE TESTING/SAT/ACT/AP

Any student taking Algebra I, English 2, Biology, US History must take the End of Course Exam which accounts for 20% of their overall grade in the course. All Juniors will have the opportunity to take the SAT and/or ACT. Students interested in these tests will sign up with their guidance counselor. Students enrolled in an AP course will be required to complete the AP exam for course completion.

BACKPACKS

Backpacks may be used to transport books and supplies to and from school. Students are responsible for articles kept in their possession. Searches of personal possessions within the school may be done when there is a reasonable suspicion of a violation of a law or school rule. Any materials considered to be against school regulations may be seized and may be returned after a parent conference with the school level principal.

Students are asked to store backpacks in the assigned storage area during the school day.

BEHAVIOR POLICY

BPS will require good manners, respect for self and others, appreciation for property, honesty, punctuality, reliability, and responsibility from all students, staff, parents and community participants. We believe that teachers have a right to teach, and students have a right to learn. We fully expect the focus on ethics and decision-making to lead to an environment where good character is important to all. BPS's intention is to praise rather than to reprimand whenever possible. However, if the redirection is necessary due to disruptions to others' learning experiences, offense guidelines will be enforced.

PENALTIES

Anyone who violates any provision of BPS school rules is subject to appropriate penalties up to and including reprimand, restitution, suspension, probation, expulsion, arrest, and/or prosecution.

SAFE HARBOR NOTE

Any student who inadvertently possesses or finds a weapon or substance, which may subject the student to a possible expulsion, may or may not be recommended for these sanctions if the student voluntarily surrenders the property to a school staff person prior to discovery by another person. This should be done as soon as the student realizes that he/she is in possession of or has knowledge about the weapon or substance.

SEARCHES

The BPS Board reserves the right to authorize the CEO and/or his/her designee to search a student's belongings, including if an imminent danger to the student or others is suspected. At the time of the search, only the student and involved personnel will be present so as to maintain the student's privacy. Parents of any involved students will be notified as soon as possible if such actions are required. Please note that student cars on campus may be searched at any time.

BULLYING PROHIBITION POLICY

A safe and civil environment is needed for students to learn and attain high academic standards and to promote healthy human relationships. Bullying, like other violent or disruptive behavior, is conduct that interferes with students' ability to learn and teachers' abilities to educate students in a safe environment.

Bullying is defined as meeting the 3 conditions listed below:

- Harmful
- Unfair Match
- Repeated Offense/Behavior

BPS cannot monitor the activities of students at all times and eliminate all incidents of bullying between students, particularly when students are not under the direct supervision of school personnel. However, to the extent such conduct affects the educational environment of BPS and the rights and welfare of its students and is within the control of BPS in its normal operations, it is BPS' intent to prevent bullying and to take action to investigate, respond, remediate, and discipline those acts of bullying which have not been successfully prevented.

The purpose of this policy is to assist BPS in its goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior.

An act of bullying, by either an individual student or group of students, is expressly prohibited on school property or at school-related functions. This policy applies not only to students who directly engage in an act of bullying but also to students who, by their indirect behavior, condone or support another student's act of bullying. This policy also applies to any student whose conduct at any time or in any place constitutes bullying that interferes with or obstructs the mission or operations of the school or the safety or welfare of the student, other students, or employees. The misuse of technology including, but not limited to, harassing, teasing, intimidating, defaming, threatening, or terrorizing another student, teacher, administrator, volunteer, contractor, or other employee of BPS by sending or posting e-mail messages, instant messages, text messages, digital pictures or images, or website postings, including blogs, also may constitute an act of bullying regardless of whether such acts are committed on or off school property and/or with or without the use of school resources.

Apparent permission or consent by a student being bullied does not lessen the prohibitions contained in this policy. Retaliation against a victim, good faith reporter, or a witness of bullying is prohibited. False accusations or reports of bullying against another student are prohibited.

A person who engages in an act of bullying, reprisal, or false reporting of bullying or permits, condones, or tolerates bullying shall be subject to discipline for that act in accordance with the BPS's policies and procedures BPS may consider the following factors:

- The developmental and maturity levels of the parties involved.
- The levels of harm, surrounding circumstances, and nature of the behavior.
- Past incidences or past or continuing patterns of behavior.
- The relationship between the parties involved; and
- The context in which the alleged incidents occurred.

The school will act to investigate all complaints of bullying and will administer appropriate consequences for students that may range from positive behavioral interventions up to and including suspension and/or expulsion.

REPORTING PROCEDURE

Any person who believes he or she has been the victim of bullying or any person with knowledge or belief of conduct that may constitute bullying shall report the alleged acts immediately to an appropriate school official designated by this policy. A student may report bullying anonymously.

BPS's ability to act against an alleged perpetrator based solely on an anonymous report may be limited. BPS encourages the reporting party or complainant to use the **Report It** application that is on each student's computer, or report immediately to any school personnel.

Reports of bullying are classified as private educational and/or personnel data and/or confidential investigative data and will not be disclosed except as permitted by law.

Submission of a good faith complaint or report of bullying will not affect the complainant's or reporter's future grades, work assignments, or educational environment.

REPRISAL

BPS will take appropriate action against any student, who retaliates against any person who makes a good faith report of alleged bullying or against any person who testifies, assists, or participates in an investigation, or against any person who testifies, assists, or participates in a proceeding or hearing relating to such bullying. Retaliation includes, but is not limited to, any form of intimidation, harassment, or intentional disparate treatment.

TRAINING AND EDUCATION

BPS annually provides education and information to students regarding bullying, including information regarding this school policy prohibiting bullying, the harmful effects of bullying, and other applicable initiatives to prevent bullying.

CELEBRATIONS

Celebrating the birthday of our students and staff is very important to us. If parents would like to celebrate their child's birthday in class, they may send a small token to everyone in class, for example, a pencil, etc. Please do not send food to share in any classroom unless approved by the school.

If you are planning on having a birthday party for your child, please only hand out invitations at school if all boys or all girls or all students in the class will be invited.

CELL PHONES

GRADES K-5

Cell phone use is **not allowed** during school hours. Cell phones are to be turned off and not visible during the school day. If possible, parents can have their respective cell phone companies shut off student's phones during school hours.

GRADES 6-12

Cell phone use is **not allowed** during instructional periods unless specific permission has been granted by the teacher for instructional purposes. During classes, cell phones are to be turned off and not visible. Phones will be permitted to be used in Middle School during lunch in the cafeteria. High School students may utilize their phone during change of classes and during lunch.

CONSEQUENCES

- 1st Offense: Teacher will issue a warning and re-teach expectations.
- 2nd Offense: Teacher will request student to relinquish device and turn in to administration; parent contact.
- 3rd Offense: Teacher will request student to relinquish device and turn in to administration; parent will need to pick up device at the end of the school day.

Parents are strongly encouraged not to communicate with students during the school day. Should an emergency arise, BPS requests that the parent contacts the school.

BPS bears no responsibility for damage, loss, or theft of any personally owned device brought to school by a student.

COMMUNICATION

Communication between school staff and parents/students is crucial for overall school success. BPS strongly believes that regular communication is essential between families and schools to engage students in learning and support their success at every grade level. For this reason, BPS has multiple forms of communication (Swift Reach, Facebook, Email, School Website, and Family Portal) to support its efforts in keeping in close contact with its students' families.

Most communication will be sent via email. If you do not have an email, please contact us in the office so we can ensure that you will receive adequate communication.

STRUCTURE OF COMMUNICATION

Our school works hard to service the needs of all of our families. At times, another layer of assistance will be required to accomplish our student needs. We ask that our families use the progression of communication below to address their concerns.

- Step 1 - Communicate the concern with the teacher.
- Step 2 - Communicate the concern with the grade level principal.
- Step 3 - Communicate the concern with the Chief Executive Officer.
- Step 4 - Communicate the concern with a Board member.

If your communication is unsuccessful at any level, we ask our families to reach out to the next level of communication.

DELIVERIES

If a delivery such as flowers, etc. is sent to the school, the delivery will be kept in the front office until the end of the school day. An exception to this is if parents are bringing a forgotten lunchbox or some other school items.

BPS will not accept food deliveries from any delivery service unless it is delivered by a parent/guardian.

DRESS CODE POLICY

Students at BPS should display themselves neat and clean in appearance. BPS believes that the manner by which students dress has the potential to avoid unnecessary distractions in the academic environment and reflect a positive attitude in academic pursuits.

Parents may not line up for pick-up until your scheduled pick-up time. Please do not block the streets. Some areas are not designated parking areas. If you need to park to come in, park in a parking space.

CAR RIDERS

Each vehicle must display the BPS Car Rider tag. Unless students are enrolled in Afterschool programs provided by BPS, all students must be picked up within 30 minutes of their dismissal time. If for some reason tardiness in pick-up is constant, you may be asked to remove your child from Bridges or find another afterschool program.

BPS has a 'Put-It-In-Park Policy': Please put your vehicle in park while loading and unloading your children! This is for the safety of your children and our staff. **Students must enter and exit on the curb side of the vehicle for safety purposes.**

FAMILY INFORMATION

It is essential that BPS maintains current home and emergency information for all students. Families were required to fill out an Emergency Information form when enrolling. It is also the responsibility of the family to update this information as needed. Please keep your information current regarding address changes, as well as changes in home phone number, work number, and emergency contacts.

If there is confidential information regarding your child that the office should be aware of, please let us know as soon as possible. It is for the safety of your child that BPS be kept informed of any changes. BPS students will only be released to people listed on the Emergency Information Form, so please ensure that all information is up-to date and inclusive. In most cases, when parents/guardians are divorced, both parents/guardians continue to have equal rights where their children are concerned. If any parent/guardian has a court order that limits the rights of the other parent/guardian in matters such as custody, records access, or visitation, please provide a copy to BPS. In the absence of a court order, BPS will provide the non-custodial parent/guardian with access to academic records and to other school related information regarding the child. A note stating that the other parent may have no contact will not suffice. Upon request, parent/guardian conferences will be scheduled for the non-custodial parent/guardian. Non-custodial parents/guardians who wish to receive school mailings and announcements are asked to contact BPS's office to provide the appropriate mailing information.

FUNDRAISING AND SOLICITATION/SALES

Fundraising enables BPS to serve our students and learning community. School-wide participation in fundraising is encouraged but never required. The Fundraising Committee has a variety of fundraising opportunities available on a personal and school-wide basis. No sale of articles, fundraising for, or promotion of outside organizations (not affiliated with BPS) is allowed in any BPS building, on grounds or in BPS publications.

GIFTED AND TALENTED PROGRAM

BPS uses state criteria and processes to identify academically gifted/talented students. Students who have been identified in another South Carolina public school district as gifted and talented as defined by the state of South Carolina may be placed in the BPS Gifted and Talented Program upon receipt of their South Carolina Screening/Referral/Assessment Student Profile. Students who have been identified as gifted and talented in another state must meet South Carolina criteria before they can be placed in BPS's gifted and talented program.

GRIEVANCE POLICY

Parents/guardians should provide any grievance in writing by using the following chain-of-command: Teacher, Principal, CEO, Board.

HEALTH AND MEDICAL INFORMATION

Parents/guardians should ensure that information on file is correct and complete (please include cell phone and work numbers) to enable the school to reach you in case your child is hurt or ill.

ACCIDENT, INJURY, OR HEALTH EMERGENCY

Every accident, injury or health emergency in the school building or on school grounds must be reported immediately to the nurse's office of your building. Accidents occurring during school-sponsored activities will be reported as soon as possible. A first aid kit is kept on each campus in the nurse's office. Except for minor injuries, the office staff, nurse, or Chief Executive Officer will attempt to contact parents/guardians or, if parents/guardians are not available, the responsible person designated by the parents/guardians on the student's emergency card in the office. When immediate medical attention seems advisable, but not urgent, parents/guardians or the designated person will be asked to pick up the student from school. Medical emergencies will be referred immediately to the local emergency personnel, including police, fire and health services. If a student has an emergency plan on file that plan will be followed.

ALLERGY POLICY

Bridges Prep is an ALLERGY AWARE school. The nurse will provide instruction on ways to minimize possible allergic interactions to staff and students. Please contact the school nurse in order to discuss allergies and any other health concerns of which he or she and the staff should be aware.

It is impossible to create a 100% peanut-free or allergen-free environment because of possible parent decisions to send nuts or other allergic foods. To create the illusion that the school environment is free of allergens would be misleading and potentially harmful; therefore, it is important to know that our school is an Allergy Aware school: A place that children with food allergies (or other dietary restrictions) and parents can feel safe. These guidelines have been designed to increase awareness and communication, to prevent possible exposure to known allergens, and to create an emergency procedure for allergic reactions.

The school may contact you concerning the special needs of individual students in your child's classroom. We may ask for your cooperation in providing only appropriate items in those specific situations to have during holiday parties or other special occasions. Please do not send food to share in any classroom unless it has been approved by the school. We also ask that students do not share food items with others at any time during the school day or on the way to and from school. This will reduce risk to students who have dietary restrictions of any kind.

Because it is impossible to create an allergen-free school, BPS cannot guarantee a student will not be exposed to allergens. We will make every effort available to ensure a safe environment for students with allergies. As such, BPS is not responsible for a student that has been exposed to allergens on or off campus; before, during, or after school hours; or otherwise. Enrollment at BPS waives any and all liability for BPS Board of Directors, including all committees and subcommittees; its employees; the student's family, or any third party acting on behalf of the student or the student's family or otherwise, as a result of exposure to an allergen.

HEAD LICE

Students must be picked up by a parent/guardian if BPS personnel suspect lice in his/her hair. Students MAY NOT return to BPS until treatment has been administered.

ILLNESS

Regular school attendance is expected. However, BPS follows SC-DHEC school exclusion policy; therefore, if a student is ill, he/she should not attend school. Please keep a student home in the morning if any of the following symptoms are present:

- A fever of 100 degrees or higher
- Vomiting or diarrhea
- There is evidence of a severe head cold, persistent cough, or sore throat
- There is evidence of a suspicious rash or other contagious condition (i.e., pink eye, flu, head lice)
- **Students must be symptom free for 24 hours before returning to school.**

The school must be notified if a student has a contagious condition such as, but not limited to: COVID, flu, chicken pox, head lice, or pink eye. Parents/guardians will be called and expected to pick-up their child when the preceding symptoms are present at school.

IMMUNIZATIONS

A record of current immunizations is required by law for all students within 30 days of enrollment at BPS. Failure to present this record will result in the student not being able to attend until the record is presented to the school. A schedule of required immunizations can be obtained at the SC DHEC website as well as the Health Department or your healthcare provider. Our school nurse can also provide you with this information.

INDIVIDUAL HEALTH CARE PLANS OR INDIVIDUAL HEALTH PLANS (IHPs)

Individual health care plans are also called individual health plans or IHPs. School nurses who are registered nurses write IHPs to guide how a student's health care needs will be met while at school. The nurse works with the student, the student's parents or legal guardians, the student's health care provider, and other school staff to write the plan. IHPs are written for students who have special health care needs that must be met by school staff during the school day. IHPs are also written for students who have been approved by the school to self-medicate or self monitor. To learn more about IHPs, talk with your child's school nurse. For students in grades K-5, Nurse Jennifer at jdickerson@bridgesprep.org. For students in grades 6-12, Nurse Christy at cphares@bridgesprep.org.

MEDICATION

Medicine should be given at home if at all possible. If the doctor's orders indicate that medicine must be given during school hours, it will be given by the school nurse (or a staff member designated by the nurse).

Students found to be in possession of medicine at school, without pre-authorized permission, will be subject to the discipline code.

Parents should complete and return the health update sheet as soon as possible. A new update should be filled out each year. Please call the school nurse if your child's health changes during the school year. If your child has a serious health condition requiring more frequent monitoring, please make an appointment with the school nurse to discuss it before your child begins school.

PRESCRIPTION MEDICATIONS

All prescription medications must be in their original prescription bottles and labeled with the student's name, date, name of medicine, dose and time it is to be given. A parent/guardian must bring the medicine to school and sign a form authorizing the nurse to administer the medicine. If a student is found with prescription medicine on his/her person, except in rare cases of those students who have to self-administer the medicine will be confiscated and held in the office until a parent or guardian can come pick up the medicine or sign a permission form for the medicine to be dispensed at school. The student may not carry controlled or prescription substances such as prescription pain medicine, Ritalin, Adderall and others to school. Parents must bring these to the nurse and sign a permission form for them to be given. There are serious legal consequences for students who are carrying these kinds of medicines at school. A doctor's written authorization may be required for the following:

- Prescription medicine that is to be given daily on a long-term basis.
- Emergency medicine such as bee sting kits or epi-pens.
- Self-administration of certain medicines (such as an inhaler for asthma).

OVER-THE-COUNTER MEDICATIONS

The parent/guardian must bring the medicine to the Health Room and sign a form authorizing the nurse (or a staff member designated by the nurse) to give the medicine.

- All medication must be in the original package with the full label intact.
- Only the dose listed on the package, as appropriate, will be administered.
- A doctor's authorization may be required.

SCHOOL NURSE

BPS is fortunate to have three full time nurses. The school nurse operates the school's health room. The nurse administers minor first aid for illnesses and injuries occurring at school and maintains a record on each child. However, students should be kept at home when they are sick, have a fever, or have undiagnosed rashes. A child should be fever-free for 24 hours before returning to school. Parents, please make sure your children know that if they are not feeling well, they should get a pass to see a nurse. The nurses will contact parents to discuss whether or not a child should go home. Students should not call home asking a parent to pick them up before they have seen a nurse.

Other duties of the school nurse include:

- Identify health problems that interfere with learning and assist families and schools to resolve them.

- Work with students who have chronic illnesses to help them benefit from their education.
- Monitor the administration of medications.
- Assist with checking permanent records for complete medical records.
- Conduct health-related screenings as needed; and
- Provide health promotion activities as needed.

Many health care services can be provided for students to keep them at school where they can learn and participate with other students. Our goal is to provide information to parents and legal guardians about some of the services and programs available for addressing the health care needs of students during the school day to help students succeed in school. It is important that the necessary health care information is shared with the appropriate people to make sure that the students' needs are met throughout the school day.

INDIVIDUALS WITH DISABILITIES EDUCATION ACT (IDEA)

Students, ages 3 to 21 years, may receive services under IDEA if the student needs special education and related services to benefit from his or her educational program. A team decides if a student qualifies for services under IDEA based on federal and state requirements. The team includes the student's parent or legal guardian, teachers, and other school staff. The team develops an individualized education program (IEP) that outlines a plan for helping the student receive a free appropriate public education and meet goals set by the team.

Students eligible for protections under IDEA and Section 504 are subject to the same disciplinary procedures as their non-disabled peers in accordance with the regulations specified by IDEA and Section 504 of the Rehabilitation Act.

HOMEBOUND

Medical homebound instruction is a service that is available for students who cannot attend school for a medical reason even with the aid of transportation. A physician, nurse practitioner or physician's assistant must certify that the student has such a medical condition but may benefit from instruction that was missed due to the medical reason and must fill out the medical homebound form that the school provides. The school then decides whether to approve the student for medical homebound services. The school will consider the severity of the student's illness or injury, the length of time that the student will be out of school, the impact that a long period away from school will have on the student's academic success, and whether the student's health needs can be met at school. To inquire more about homebound, contact Taylor Hunt at thunt@bridgesprep.org

LOCKERS

Students may be assigned a hall locker. Lockers are subject to search by school authorities since they are the property of the school. All assigned hall lockers should be kept clean and locked. Students are advised not to share lockers with other students.

LUNCH

During the school year, you may choose to send lunch with your child, or you may choose to purchase lunch from our outside vendor. If a student forgets lunch, lunches must be brought to the front office by a parent/guardian for delivery to students. To keep classroom disruptions at a minimum, and maintain the security of the school, parents are not to enter the buildings to deliver forgotten lunches to students, unless they have previously signed in at the front office/receptionist.

BPS will not accept deliveries from any delivery service unless it is delivered by a parent/guardian. There will be no free and/or reduced lunch at Bridges.

Bridges Preparatory School is committed to providing an environment that enhances the development of lifelong wellness practices and ensures that all students are fit, healthy and ready to learn. We recognize our responsibility in promoting healthy eating habits and fitness in students. We do this through our curriculum and by reminding the students the importance of eating healthy and nutritious meals and snacks during the school day. Therefore, we are recommending that the beverages that students drink on campus reflect our commitment to life-long wellness. We recommend that students drink low fat or nonfat milk, flavored or unflavored water, and/or 100% juice with no added sweeteners for lunch and snack. Due to individual dietary restrictions, students at BPS are not to share food or drink items with others.

Based on the research of the health and academic benefits of keeping the brain and body hydrated, students will be allowed to bring a water bottle to school, **full of water only**, each day to sip on throughout the day. The water bottle will be sent home each day for cleaning.

PARKING PERMISSION AND RULES

PARENTS/GUARDIANS

If you have a student who has a valid driver's license and wishes to park in the school's designated area, a parent/guardian must complete a parking permission form available on the school's website. Once completed, show proof of purchase to the front desk at the high school to obtain a parking decal.

Parking in non-designated areas off school property is subject to local parking rules. **No student may park at school unless a form is completed**, and the parking decal is properly placed.

PARKING EXPECTATIONS

Parking in a school designated area is a privilege. You are welcome to park in a designated area if you follow the rules, drive safely, and do not jeopardize your safety or the safety of others. Rule violations may lead to immediate suspension of your parking privilege. In addition, chronic misbehavior at school may lead to the revocation of your parking privileges.

STUDENT PARKING REGULATIONS

Driving a vehicle to school is a privilege. At the beginning of each year all students driving to school must purchase a *parking permit* at the cost of \$25.

Violation of any of the following parking regulations will result in a parking ticket and fine(s).

Repeated failure to abide by the BPS parking regulations will result in revocation of the driving privilege. The information in this section of the student handbook constitutes the only warning given for violation of the following regulations.

- All vehicles parked anywhere on the school campus must display a parking sticker. Parking stickers are to be placed on the outside of the drivers' side of the rear window. All vehicles parked on campus are checked routinely throughout the day.
- BPS students must park their vehicles within marked spaces in the parking lot. Failure to park properly will result in a parking ticket and possible loss of campus parking privileges. Student parking in any other area is forbidden.
- Students must park their vehicles in the student parking area immediately upon arrival at school. Under NO circumstances should a student remain in the parking lot in a car after the vehicle has been parked. Windows should be closed, doors locked, all needed books and other items taken from the vehicle upon arrival on campus. Students and passengers are expected to drive and behave responsibly upon arrival and departure from the campus in any vehicle.
- Students are not allowed to enter the parking lot during the school day without permission from the office. This policy is issued to provide security and protection for students as well as security and protection of their vehicles and property from theft and vandalism.
- Students are not allowed to leave campus in a vehicle during the school day unless they have an early dismissal through the attendance office.
- Students are not allowed to leave campus to purchase lunch and return to campus.
- Illegal drugs, unauthorized medications, alcohol, and weapons (including but not limited guns and knives), whether in sight, discovered, or confiscated as the result of a search by school or law enforcement officials, will result in immediate recommendation for expulsion of the student. All items in automobiles driven onto the campus are the responsibility of the student.
- No vehicle should be operated in a reckless manner while on the campus. Security cameras are used to record parking lots on campus.

Bridges Preparatory School assumes no responsibility for vehicles, or the contents of vehicles parked in designated areas. Students are encouraged to lock their cars and to report damage to their vehicles or theft of items in their vehicles to their insurance companies and the local police. **NOTE: Bridges reserves the right to restrict parking based on spaces available, and students will be required to pay a parking fee.**

PLEDGE OF ALLEGIANCE

The BPS board recognizes the need to display an appropriate United States flag and to provide instruction to students in the proper etiquette, display, and respect of the flag. Students will be instructed in the proper etiquette toward, correct display of,

and respect for the flag, and in patriotic exercises. The purpose of this policy is to provide for recitation of the Pledge of Allegiance and instruction at BPS to help further that end. Students at BPS shall recite the Pledge of Allegiance to the flag of the United States of America each day. Anyone who does not wish to participate in reciting the Pledge of Allegiance for any personal reasons may elect not to do so.

Students and BPS personnel must respect another person's right to make that choice.

RECESS

Recess is scheduled each day for Grades K-8 for additional physical activity. Recess will be held outside, weather permitting (to be determined by the principal). Unless excused, students are expected to participate in recess daily. Upon written request by a parent/guardian, a student will be allowed to stay indoors during recess and will be placed in another class during the scheduled time. If the request extends beyond one day, the parent/guardian must provide written authorization from the student's physician or health care provider. Extenuating circumstances should be discussed with the principal.

RELIGIOUS EXPRESSION

It is the policy of the Bridges Preparatory School Board that the school will not discriminate against a student, parent, or school personnel on the basis of a religious viewpoint or religious expression.

STUDENT EXPRESSION OF RELIGIOUS VIEWPOINTS

Bridges Preparatory School will treat a student's voluntary expression of religious viewpoint on an otherwise permissible subject in the same manner that the school treats a student's voluntary expression of a secular viewpoint. A student may express his or her religious beliefs in coursework, artwork, and other written and oral assignments free from discrimination. A student's homework and classroom assignments shall be evaluated, regardless of the religious content, based on expected academic standards related to the course curriculum and requirements. A student may not be penalized or rewarded based on the religious content of his or her work if the coursework, artwork, or other written or oral assignments require a student's viewpoint to be expressed. Students may elect to participate in before or after school events such as "See You at the Flagpole", "FCA" gatherings on the same terms that they may participate in other non-curricular activities on school premises. School system employees may neither encourage nor discourage participation in such events and school officials may only be present to monitor for supervision. Teachers and administrators should ensure that no student is in any way coerced to participate in religious activity.

EMPLOYEES ENGAGING IN RELIGIOUS ACTIVITIES AND EXPRESSION AT SCHOOL

Bridges Preparatory School may not prevent school personnel from participating in religious activities on school grounds that are initiated by students at reasonable times before or after the school day if such activities are voluntary and do not conflict with the responsibilities and assignments of such personnel. Bridges Preparatory School must comply with the federal requirements in Title VII of the Civil Rights Act of 1964, which prohibits an employer from discriminating against an employee on the basis of religion.

EQUAL ACCESS TO SCHOOL FACILITIES

Bridges Preparatory School shall give religious groups access to the same school facilities for assembling as given to secular groups without discrimination based on the religious content of the group's expression. A group that meets for prayer or other religious speech may advertise or announce its meetings in the same manner and to the same extent that a secular group may advertise or announce its meetings.

CLUB/ORGANIZATION POLICY

- Student organizers must meet with the Chief Executive Officer (or their designee) to discuss the goals and objectives of the new group, as well as the day and time that the group will meet on a consistent basis. Before a group can be considered for approval, the student organizers must submit a list of a minimum of three students who will serve as leadership for the club including their positions.
- The proposed group must obtain the signatures of at least 5 additional students who are in good academic and disciplinary standing. These students must be willing to join and support the proposed organization if it is approved.
- Membership in the proposed student group must be nondiscriminatory and open to the entire Bridges Preparatory School student population. For approved groups, an exception to this policy will be granted. An example of this would be for performing arts groups that wish to select members based on certain criteria. Any other student group that will

require selective membership must request approval from the Chief Executive Officer. Such groups will be required to prove that their selection process is essential to the success of the organization and their process will be reviewed annually. No outside groups may start a club at Bridges Preparatory School.

- Select a member of the full-time faculty, staff or administration who is willing to serve as an advisor and submit their name to the Chief Executive Officer for appointment.
- Submit a copy of the proposed club/organization to the Chief Executive Officer.
- After final approval by the CEO, two copies of the organization's goals and objectives will be made. One given to the organization/club and the other will be held in HR.

INTERNET AND ELECTRONIC USE POLICY

PURPOSE

Bridges Preparatory School makes a variety of communication and information technologies available to authorized users. When properly used, these technologies promote the school's instructional and business purposes. Illegal, unethical, or inappropriate use can have significant negative consequences for the school, its students, and its employees. This policy is intended to minimize the likelihood of such harm by setting standards which protect the school, its users, its data, and its systems.

This policy governs the use of all electronic systems owned, provided, or subscribed to by BPS, including computers and computer-like devices, mobile devices, voice and data communication systems, networks, software, and services. It applies to all users (students and adults) of these systems, on or off school property, at all times.

BPS employees, contractors, and vendors will sign this policy prior to account access. Students are bound by an opt out mechanism: parents not wishing for their child to be allowed access to computer networks, Internet, or other communication services must so indicate in writing to the CEO.

Under certain circumstances, the use of personally owned computing and communication devices may be allowed on BPS property. These non-school-owned devices access BPS services, networks, data, and services, and as such are bound by this policy. Such devices are the sole responsibility of the owners.

Guest user access can be arranged for lecturers, program presenters, or other event-based needs by arrangement with the Technology Manager. The Technology Manager can provide credentials for such users who are bound by this policy. Guest access is limited in terms of Internet and file access.

NETWORK AND INTERNET GENERAL USAGE

BPS employs a variety of technology protection measures to secure and protect data and systems, including filtering Internet content. These protection measures are imperfect and cannot guarantee complete protection. Access to Technology resources is made available to authorized users in support of the school's instructional and business processes only. Any use of these resources which interferes with these processes is prohibited.

Users of BPS's technology systems assume all responsibility for use of the network access accounts issued to them, and for District technology assets issued to them or entrusted to their use and care. BPS prohibits the use of its resources to view, access, download, store, or transmit any material which is in violation of any school policy or rule, or violates any local, state, or federal law or regulation.

PROHIBITED ACTIVITIES

- Attempts to access data or services to which the user has no school-defined need or permission
- Attempts to bypass, interrupt, or disable school security, filtering, or data-protection measures, hacking
- Use of a network access account other than that issued to you, or allowing (by any means) use of your account by anyone else, impersonation, misrepresentation of identity
- Operating or using a non-school network on BPS property, such as a rogue Wi-Fi, MiFi, mobile hotspots, or another network technology
- Attaching any personally owned devices to the BPS wired network
- Student use of a staff-owned personal device
- Transmission or transportation of confidential or privileged data (such as student information or records, personally identifying information, BPS financial data, or personnel data) without authorization, or via a means which make the data subject to loss
- Use of BPS resources for personal monetary gain, conducting personal financial activities
- Use of BPS resources to send unsolicited messages unrelated to school business, chain messages, spam, or bulk

- messages
- Installing software not approved or allowed by IT Manager, particularly any which interfere with the intended operation of the system
- Alteration of or damage to BPS resources

PROHIBITED MATERIAL

- Obscenity or pornography
- Threats against persons or property
- Material which could reasonably be construed as harassing, bullying, or discriminatory
- Material used to further any commercial business, political party, or other organization not specifically endorsed or supported by BPS
- Material protected by copyright or trade secret, plagiarism
- Material which is potentially disruptive of the Bridges Preparatory School's instructional and business processes, including viruses, malware, spam, and tools or software intended to bypass, interrupt, or disable school security, filtering, or data protection measures

PERSONALLY OWNED DEVICES

BPS has a specific wireless network configured for the use of personally owned laptops or mobile computing devices. When on BPS property, users of personally owned devices may access only this wireless network and no other network.

Personally owned devices are permitted on BPS property but may only be used at the direction of a teacher or school administrator. All use during the school or workday must be clearly related to instructional purposes. Administrators, Teachers, or IT personnel may prohibit the use of personally- owned devices at any time.

Owners of these devices are solely responsible for the configuration, content, upkeep, and safety of their devices. BPS will not assist with configuration, will not troubleshoot issues, and assumes no responsibility for function or safety.

POLICY CHANGES

Interpretation, application, and modification of this Acceptable Use Policy are within the sole authority and discretion of Bridges Preparatory School. Any questions or issues concerning these policies and regulations should be directed to the system administrator at the school office.

SAFETY AND SECURITY

EMERGENCY EVACUATION

In the event of an emergency or emergency drill, students will evacuate buildings under the direction of their teacher, line-up for roll call, and be given further instructions. Crisis drills help prevent injuries and deaths in case of an emergency evacuation.

CRISIS DRILLS

Fire Drills will be held once a month and a log will be kept and housed in the school office. Crisis drills will be held once a quarter. Other emergency drills, such as but not limited to earthquake, tornado, etc. will be conducted yearly when the state drill throughout the state is conducted. Notification will be sent to parents before crisis drills are conducted.

EVACUATION

The decision to do a Level III Evacuation is made by the Chief Executive Officer or his/her designee in conjunction with Local Law Enforcement Agencies.

The school will be evacuated (Level III) if:

- There is a serious/dangerous incident at the school or the community that justifies the evacuation.
- There is an order from Government Authorities to evacuate. In a Level III Evacuation: announcement will be made, or someone will come to classrooms.

Students will leave the campus by bus or foot and authorized staff vehicles to go to an assigned evacuation site. Teachers will be told what bus to have their classes board. There may be a need to have staff use their vehicles to transport students.

Teachers will take their staff notebooks, roll books, and student information sheets. They will keep students with them.

- Teachers will remain with their students and must take a staff notebook with red/green cards, roll books, and student information sheets.
- Elective teachers (or teachers on planning), guidance personnel, custodians, cafeteria manager, and all other staff who do not have students to supervise, should report to the main office for instructions and duty assignments.

- No staff or students should attempt to contact anyone (parents, spouses, etc.) until directed to do so by the administration.
- Front office personnel, school nurses and Administrators will bring health cards, medications and emergency kits, and contact transportation etc. The Administrative Assistant will make all other necessary phone calls.
- Administrators will monitor movement and front office personnel will keep logs of which classes are on which buses. Parents will not be allowed to pick up students at the campuses.

SEVERE WEATHER INFORMATION

In the case of a severe weather emergency, parents/guardians should listen to and/or watch the local news for information about closings. In the event of an early dismissal, parents/guardians are responsible for arranging alternative care for children before the day needed. In the event of severe weather during the school day, students will take cover in assigned areas in the school building and remain there until there is an all-clear signal. In order to keep phone lines free during severe weather, we ask that parents/guardians DO NOT call the school. If it is necessary to call for early dismissal as a result of inclement weather, the Chief Executive Officer will notify the classroom teachers. The office staff will notify families via email and phone calls with information regarding time of dismissal. Children will be dismissed at the designated time and pick up procedures will be followed. No children will be dismissed to walk home, and no student will be released with anyone unless they are on the individual's check- out list. In the event that evacuation from the school site is required, parents/guardians will be notified as to the site and the time to pick up.

SURVEILLANCE CAMERAS

BPS believes that safeguarding the welfare of its students, employees and visitors and deterring acts of violence, harassment, vandalism or theft are of the utmost importance. In order to enhance the safety and security of students, employees and visitors, BPS has installed surveillance cameras at designated areas at all school locations.

BPS plans to use the footage from these cameras to deter individuals from violating school rules and to assist in the identification of individuals who engage in these actions.

BPS respects the privacy of all individuals who enter school property and believes that this policy will balance that privacy concern against safety needs of students, staff and visitors. Images obtained through surveillance monitoring or recording will be retained for a minimum of 30 days by the school, unless such images have historical value, or are being used for an investigation of a particular incident or as part of a potential claim against the school. Only individuals with a legitimate educational or law enforcement-related interest will have access to surveillance camera footage. The individuals who have a legitimate educational or law enforcement related interest will vary from situation to situation.

BPS does not consider surveillance camera footage to be directory information under the Family Educational Rights and Privacy Act. BPS considers surveillance video footage to be a part of the educational record of the students who are the main focus of the video. The footage is not part of the educational record of students in the background or those who do not play a central role in the action being reviewed. BPS retains the discretion to deny any person the right to watch a video. Any person who tampers with or destroys a video surveillance camera, equipment or any part of the video surveillance system may be disciplined in accordance with board policy and/or applicable state, federal or local law. Any employee who violates the terms of this policy or otherwise misuses a video camera will be subject to disciplinary action, up to and including discharge. Any student who violates the terms of this policy or otherwise misuses a video camera will be subject to disciplinary action in accordance with the school's behavior code. The only personnel with access to security for the school on their telephones will be the CEO, Principals, or Board Chair. Violations of the laws of the United States or the State of South Carolina may also be subject to criminal prosecution.

WEAPONS ON CAMPUS

Bridges Preparatory School prohibits weapons of any kind on BPS property. BPS strictly prohibits the carrying and/or possession of a concealed weapon on school premises and/or equipment without the express permission of the CEO or his designee. VISITING AND VOLUNTEERING

BPS encourages visitors to our school. To keep students and staff safe, BPS requires each visitor, volunteer, and vendor to enter through the school's office, show his/her picture ID, and sign into the school via our Office Manager. Prior to entering the hallways, each visitor will receive a badge to wear while in our schools. The badge must be visible at all times. Each visitor is also asked to return to the main office and sign out before leaving. By using these standardized procedures, school personnel know at all times who is on campus and the purpose of the visits, thereby enhancing the safety of our schools.

Parents are always welcome but are required to make an appointment to see a faculty member or the Chief Executive Officer during the school day. Parents, volunteers, or other visitors, including former students, to the school are not to interfere with the supervisory or instructional responsibilities.

Friends of students or students from other schools are not allowed to visit the school during the school day unless approved by the Chief Executive Officer at or before checking in at the main office. Visitors on campus who do not check in at the main office will be considered trespassing. The administration is empowered to take appropriate action against non-students who invade the building, grounds or other school property. Such action will include, but not limited to, the right to call in the authorities, if necessary.

BPS checks all volunteers through the National Sex Offenders' Registry. We also require an annual background check through the South Carolina Law Enforcement Division (SLED) for all persons who chaperone students on field trips or who work directly with students in the school. The chaperone/volunteer will be required to pay \$8 for his/her check. Checks should be made payable to BPS. Volunteers who need background checks should arrange to have them completed early in the year. Background checks must be requested and paid for two weeks before the date of any field trip.
