

Minutes of Meeting
Bridges Preparatory School
HOS Facilities Meeting 03/05/15

Meeting took place at 5pm at Main Campus
Kelli Franklin, Charlie Calvert, Lindsey Corbin, and Josefina Blanc in attendance

1. Cleaning/Custodial Issues: Tabled will discuss at next meeting
 - a. Update as to effectiveness
 - b. Any issues with current company

2. Landscape Planting for Modular Classrooms volunteer coordination
Volunteers needed for possibly the weekend of March 14th Lindsey volunteered as a member of the PTO to reach out to their membership. The plant materials have been ordered just need firm dates for planting so drop off can be scheduled. Costs were less than budgeted so that was good news. Josefina to discuss with contractor the possible date for CO, etc. so we know our deadline.

3. Update on charette and next steps
Josefina sent out report on charette to school. We all felt that there were similar concepts and outcomes from the group as a whole. Next steps and deadlines from architect and Board are needed to keep process moving forward.

4. Facilities funding mechanisms
Discussed doing grant searches to create a deadline and grant opportunity database via basic internet search to find RSS feeds or listserv's for membership focus on facilities and technology first. Are there corporate grants we could be going after for the school? Topic to be discussed again at next meeting.

5. Other Needs and or requests to have reviewed
No topics were brought up at this time.

Meeting adjourned at 5:45pm
